

# Three New GreenPeak RF4CE Chips

RF4CE Communication Controllers			
Device	Application	Function	Interfaces
<b>GP520</b> 	<b>Set-top box &amp; DTA</b>	RF4CE protocol, ZRC & customer dedicated target functions	SPI-TWI serial interface
<b>GP530</b> 	<b>TV and front panel</b>	RF4CE protocol, ZRC target function	UART serial interface
<b>GP540</b> 	<b>Remote control</b>	RF4CE protocol, ZRC and dedicated targets function	Single chip solution with keyboard and IR transmit engine

 **Optimized for low cost/ease of integration through configuration**
